| Jeanene Stewart | 724-254-4649 |

General Regulations for Vegetables

1. In selecting vegetables for exhibition, choose such specimens that would bring the highest market price.
2. Do not select the largest; select medium size specimens.
3. If at all possible, do not mix varieties.
4. The following factors are generally used by an expert vegetable judge.
5. Trueness to variety type. If at all possible, pick the specimens from one variety.
6. Uniformity in shape, size and color.
7. Be sure to pick out a perfect specimen, and then select the others as similar to it as possible.
8. Never mix specimens of different maturity.
9. Protect from dirt, disease, infection and mechanical damage.
10. Select specimens that are perfect and show no blemishes of any kind.
11. Condition and maturity. Be sure that exhibits are of high quality.
12. Potatoes should not be washed.
13. Remove soil using a soft cloth or brush.
14. Tomatoes should have stems removed.
15. Carrots, beets, etc. should have tops (leaves) removed from vegetables leaving about (2) two inches of stems.
16. If an entry calls for five specimens, be sure to exhibit that number- do not enter four or six.
17. Read premium material, carefully following all rules and regulations.
18. In any instance, your exhibits will be disqualified if the correct number of specimens is not entered.

Entry form

1. Department Number
2. If you are under 19 use department 11 on the entry form.
3. If you are 19 and older use department 19 on the entry form.
4. Departments Y = Youth O = Open S = Section Number, C = Class Number
5. (Please bring your own plate)

| Departments | | | | | | | |
|-------------------------|---|---|---|-------------|--------|--------|--------|
| Y | O | S | C | Description | | | |
