Greetings from the President of the Green Township Community Association

Hello!

HELLO! I would like to thank all the sponsors, volunteers, board members and exhibitors for the fair. Also, thanks to the stock holders. This is our 108<sup>th</sup> fair and we continue to grow. We have horse pulls, pony pulls, log saw contests, tractor pulls and truck pulls, as well as fiddle contests, and fun competitions.

We have contests for the young and old. There is entertainment galore all week long. We are one of the few fairs that still starts with the vesper service held every Sunday evening. We have restrooms, showers, paved walkways, lighted parking and a free shuttle service on the weekend.

New this year is the pavilion where the cook house used to be. Something else updated is the paving of the handicapped parking lot.

This year chickens will not be allowed to be entered at the fair.

Come see me at the Chicken Shack if you have suggestions or questions.

Recognizing the fact that it is not possible to list every desirable or worthwhile Class in each Section of each Department, and that fashion and fad—particularly in the areas of Needlecraft, Domestic Art, and Fine Art—may change the norm, it is intended that each Fair shall add or delete classes in what they perceive to be their own best interest. Each fair is to implement this effort based on available space.

SUCH CHANGES SHALL NOT IN ANY WAY JEOPARDIZE THE PREMIUM REIMBURSEMENT UP TO THE MAXIMUM set forth in each Section of each Department.

It is permissible for each Fair to establish Supreme Champion Classes.

## ANIMAL HEALTH RULES

### ANIMAL HEALTH REQUIREMENTS AND RECOMMENDATIONS FOR ANIMALS FOR EXHIBITION, INCLUDING COMMERCIAL EXHIBITION

This page provides the Pennsylvania Department of Agriculture's animal health requirements and recommendations for the Pennsylvania County and Community Fairs. All exhibitors are encouraged to check with the management of each fair in advance to ensure compliance with all fair requirements.

It remains our goal to resume poultry exhibitions in 2019. We will continue to monitor reports of avian influenza causes that occur in the United States and put our poultry industry at risk. **The official PDA leg band identification requirement for poultry will be enforced as of June 1, 2022.**

The following Animal Owner or Caretaker's Verification of Veterinary Consultation Relationship statement for the animals being exhibited must be included with a signature line for the owner or caretaker on the fair registration form: **"I attest and affirm that a "veterinary consultation relationship" – as that phase is defined in the Animal Exhibition Sanitation Law found at 3. Pa.C.S.A. § 2501 et seq. and any amendments thereto- "exists with regard to any animals I will be exhibiting. "** The name and phone number of the consulting veterinarian must be included on the entry form. Animals entering with a **"Certificate of Veterinary Inspection (CVI)** are exempt from this statement requirement.

Be sure to use only grooming products that are approved for use on meat and dairy animals when fitting your animals for show, unapproved products may contain ingredients that result in unacceptable residues in the meat or milk. If you are not certain that a produce is residue safe and approved for use on meat or dairy animals, **do not use it.**

The Pennsylvania Department of Agriculture recommends that animals returning home from fairs and shows be isolated from other members of the herd or flock for a minimum of three weeks to help prevent the spread of disease, and recommends that exhibitors of all animals discuss the health of their animals, including vaccine recommendations, with a veterinarian on a regular basis. The Department also encourages premises owners to register their premises with the Department, so that we can contact you in a disease emergency situation. Call (717) - 836- 3235 to register your premises.

**\*\*If you enter in the open class entry fee is 10% of 1<sup>st</sup> place\*\***

## BLUE RIBBON APPLE PIE CONTEST

### INSTRUCTIONS TO BE USED BY FAIRS AT THEIR 2025 EVENT

Each county/local fair is encouraged to conduct a 37th Annual Blue Ribbon Apple Pie Contest at their 2025 event. Listed below are the criteria which we would like each fair to use in their contest. The certified first place winner from each fair will then have the opportunity to enter an apple pie in the BLUE RIBBON APPLE PIE CONTEST at the 2026 PENNSYLVANIA FARM SHOW.

**RULES** for local Fair and the PA Farm Show contests are as follows:

1. Open to any individual **amateur** baker who is a Pennsylvania resident. One entry per person.
2. Entrants may **NOT** have won 1st place in this Blue Ribbon Apple Pie contest at any other fair in 2025.
3. The Apple Pie, including fillings and crust, must be **made from scratch with edible ingredients**. No pre-packaged ingredients may be used (*ex: no pre-made mixes, cookie dough, pie crust, frosting, etc.*) Any decorations must just be edible.
4. Recipe must include **at least 60% apples in the filling**. It does not need to be a "traditional" two crusted apple pie and it can have a variety of fillings.
5. The entire pie must be submitted for judging in a food safe disposable pie pan. (*All pans, plates and dishes are considered to be disposable and will not be returned.*)
6. The Pie entry and its recipes will become the property of the Fair or PA Farm Show and will **not** be returned
7. The recipe for the pie and pie crust must be submitted with the entry. It should be submitted on one side of 8 1/2" by 11" sheets of paper. The recipe must list all the ingredients, quantities, and the preparation instructions. Entrant's name, address and phone number must be printed on the back side of all the pages.
8. Refrigeration is **not** available at the Fair or PA Farm Show. Entries that require refrigeration after baking must indicate so in the recipe. Those entries will not be sold, auctioned or otherwise distributed for consumption after judging for food safety reasons.
9. Judging will be based on the following criteria:

Flavor	35 points
Filling (consistency, doneness, moistness & flavor)	25 points
Crust (color, flavor, texture, doneness)	20 points
Overall Appearance (surface, shape, size, color)	15 points
Creativity	<u>5 points</u>
<b>TOTAL</b>	<b>100 Points</b>

Creativity is essential to a varied competition. Do not limit your contest to a "traditional" two-crust apple pie. We are looking for a variety of fillings in the pies; the pie must include at least 60% apples in the filling.

Each Fair must submit the Contest Summary Report verifying the winning apple pie baker. This person will then be eligible to enter the state competition at the 2026 PA Farm Show and will receive the Official PA Farm Show Certification Entry Form directly from the PA Fairs Special Baking Contest Committee.

**NOTE:** If an individual has already won 1st place at another fair in 2025 for this Blue Ribbon Apple Pie contest, that individual is now considered qualified through that Fair to compete at the 2026 PA Farm Show and is no longer eligible to enter this contest at any upcoming Fairs.

*First Place Winner is eligible for the 2026 PA Farm Show competition.*

Ten points per judge will be deducted from the total score for each 30 seconds that the player goes over the time limit.

Local contest championship winners do not need to sit out for a year from the local contests if they are a state champion.
12. Contestants must play in the order of the drawing. Audience applause will not influence the judge's score. The contest is a blind judging event so fiddlers should not be near the judging area during the competition.
