What is the real purpose of youth (4-H & FFA) livestock projects?

- 1) One purpose is to teach young people how to feed, fit, and show their animals. The more important purpose is to provide an opportunity for personal growth and development of the young person.
- 2) The Josephson Institute of Ethics has developed a curriculum, which identifies six core values, which may help to better describe the value of youth livestock projects.
- 3) This curriculum also presents the idea that people develop and strengthen character by practicing certain behaviors just as muscles are built through exercise.
- 4) Therefore, the purpose of the youth livestock program (4-H and FFA) is to provide opportunities for young people to develop character. The character traits identified and some practices (exercises) that may build character follow:
 - a) Trustworthiness - includes honesty, promise keeping and loyalty daily feeding, watering of animals (promise keeping) adheres to possession deadlines (honesty) adheres to withdrawal times on drugs and de-wormer only the appropriate use of approved drugs
 - b) Respect - includes courtesy and proper treatment of people and things proper handling of animals, treat humanely proper care of animals, listens to and follows advice of advisors recognizes that animal projects are dependent on 4-H'er and provides daily feed and water
 - c) Responsibility - includes the pursuit of excellence, accountability and perseverance, daily feeding and watering (even on the busy, difficult days) goes beyond providing the daily needs of the animal in giving additional time and attention to produce a winner, adheres to deadlines for entry forms and for arrival at livestock shows never gives up in the show ring (perseverance)
 - d) Fairness - involves consistently applying rules and standards appropriately for different age groups and ability level
 - e) Is feed only approved livestock rations only the appropriate use of approved drugs accepts winning or losing with grace conduct in the show ring follows recommended procedure
 - f) Caring - promoting the wellbeing of people and things in a young person's world. It denotes action and not just feelings. daily feeding and watering provides clean barn/stall for animal treats animal humanely at all times

- g) Citizenship - includes making the home community and county a better place to live for themselves and others. accepting instructions winning and losing with grace helping others at stock shows teaching younger members treating animals humanely ensuring that your meat animal is safe for consumption
- 5) All Elementary and Secondary school age children are eligible to compete. Entries must be the work of the pupils of the exhibitor and must have been done in school under the supervision of the teacher since the proceeding fair and during the school term.

Department 10 4-H Opportunities

Rules For Entry:

1. Exhibitors must be a 4-H member in good standing in the Indiana County 4-H program and enrolled in the project area they are entering.
2. A 4-H member may enter one item per subclass, within a class.
3. An entry that fails to meet project requirements as stated in the appropriate 4-H project book will not be judged, but it may be exhibited if space permits. Each article will be judged according to the exhibit guidelines listed below.
4. Entries not entered in correct classes may be switched to the correct class.
5. All posters must be 14" x 22" horizontal and vertical and will be judged on the basis of visual impact, creativity, neatness, accuracy, and appropriateness of information.
6. Do not exhibit any substances that could be toxic or harmful to others (for example, blasting devices left in rockets, medicines in first aid kit, formaldehyde in containers, etc.)

Entomology

1. Year 1: Display a minimum of 25 different insects representing five insect orders
2. Year 2: Display a minimum of 50 different insects representing seven insect orders
3. Year 3: Display a minimum of 70 different insects representing nine insect orders
4. Year 4: Display a minimum of 90 different insects representing 10 insect orders
5. Special collection (for third- and fourth-year members only): Unique collection of a specific insect group. The collection must be labeled to identify the unique insect type (for example: aquatic or nocturnal insects).

Fishing

6. Take The Bait, Level 1 – Exhibit one of the following: Sample of a knot 4-H member tied or poster on what type of tackle to use; how the aquatic environment can affect fish populations and some of the interactions between people and fish habitat
7. Reel In The Fish, Level 2 – Exhibit one of the following: Sample of fishing knot 4-H member tied; Sample of fishing tackle 4-H member made; or Poster on the biological needs of fish, the importance of water quality for fish habitat and why fishing regulations are so important
8. Cast into the Future, Level 3 – Exhibit one of the following: Sample of artificial flies and lures made by the 4-H member; Sample of modified fishing equipment; Lure designed and crafted by a 4-H member; Collect and identify five different aquatic insects; or Poster on how to determine the age of fish **Forestry**
9. Adopt A Tree – Exhibit project book and album of activities completed
10. Treetop – Exhibit project book and the "Tree Touch Box"
11. Trees and Me = Forestry – Exhibit completed project book with display of collection representing six different trees (leaf, twig, stem, or branch cross section for each) identified
12. Advancing in Forestry – Exhibit project book and poster of two completed round-up ideas

Landscape Gardening

13. A landscape plot plan for the site you landscaped with before and after photographs **Outdoor**

Adventures

- 14. Hiking Trails Project: Poster that includes a narrative story about one hiking experience and new skills used or knowledge learned from the project on the hike. (Note poster size requirements)
- 15. Camping Adventure: Poster that includes a narrative story about a camping experience, including new skills used or knowledge learned from the project during the camping trip. Include at least three pictures (photographs or illustrations) on poster showing different aspects of your camping experience. (Note poster size requirements)
- 16. Backpacking Experiences: Poster that includes a narrative story about a backpacking trip. Include at least three pictures (photographs or drawings) on poster showing different aspects of your backpacking trip. (Note poster size requirements)

Plant Science – Meet The Plants

- 17. Plant propagated and a 5" x 7" card describing the steps used
- 18. An experiment from the project book with a 5" x 7" card describing the process and results

Shooting Sports: Air Pistol, Air Rifle, Shotgun, Muzzleloader, Archery, .22 Rifle

- 19. Poster on any phase of safety presented in the project (Note poster size requirements)
- 20. Poster on the use and purpose of these sporting instruments (Note poster size requirements)

Wildlife Is All Around Us

- 21. Book 2 – Spring: Completed project book and display birdhouse
- 22. Book 3 – Summer: Completed project book and display of three plaster casts of animal tracks

24. Book 4 – Fall: Completed project book and poster of a map describing different types of cover for animals (labeled)Book 5 – Winter: Completed project book and poster describing animal signs that can be found in winter
25. The Wildlife Ecologist Project: Completed nature journal based on the suggested activities in the project
26. The Wildlife Manager Project: Completed nature journal based on the suggested activities in the project
27. Endangered Wildlife Project: Completed nature journal based on the suggested activities in the project
28. Woodworking for Wildlife: Completed nesting box, feeder, or an item from the project book
29. Wildlife Journal: Ages 8-12
30. Wildlife Journal: Ages 13-18

Embryology

65. Poster or three dimensional 28" x 22" display that features your project and may include photos, pictures, models, equipment, and drawing. (Note poster size requirements)
