

Garden Tractor Pull

Superintendent: Don Sensabaugh 724-422-6637

Assistant Superintendent: Brad Berkey 724-464-8966

General Regulations for Dead Sled Garden Tractor Pulls

1. The driver must be able to reach controls and pedals and have complete control of the tractor at all times.
2. The driver must put the tractor in the neutral position, remove his/her foot from the clutch and have his/her hands off all controls before sled will be hooked up and unhooked.
3. The pull will be held Monday evening at 7pm.
Class 225 – 700 lbs. Age limited to 17 years old and younger.
Class 230 – 900 lbs. Age limited to 17 years old and younger.
Class 235 – 1,200 lbs. Open to all ages.
4. Unsportsmanlike conduct will not be tolerated. If it exists, the participant or pit crew will be asked to leave the grounds. This includes language, gestures and the like.
5. All tractors must be stock including engine with a maximum horsepower of 20 and no more than two cylinders. Tractors will be weighed prior to the pull including the driver's weight. No tractor will be weighed without completed insurance release information sheet. All tractors must be a riding type with rubber tires and no chains. No dual wheeled or all four or all-wheel drive tractors are permitted. After weigh-in, weights may only be moved within the pulling area and in the presence of a judge. Hitch height will be 13 inches maximum.
6. No weight bar or boom to extend over 12 inches past the front of the tractor. No weight bar or parts to extend out over 6 inches to the side of the tractor. If anything falls from the tractor while on the pulling track, the tractor will be disqualified.
7. Anti-roll equipment to be in place if the front end is to come off the ground for the pull.
8. Puller must start with a tight hitch, no jerking of the sled.
9. Only one driver per class. A tractor can be pulled in more than one class with a different driver. Participants in all classes must be able to operate the tractor safely. A judge will determine this.
10. Only class 235 is open to participants 18 and over.
11. Class 235 tractors must be also be able to back into the sled under their own power.
12. Shifting gears, hydrostatic, automatic, variable, or gear type is permitted as long as forward motion of the sled does not stop.
13. Axles may be locked together if it helps to keep transaxle together.
14. A written protest can be submitted to the judges by a puller in the same weight class.
15. The judges will require a copy of the manufacturing specifications at this time.
16. Failure to present these specifications will disqualify contestant.
17. Engines may be changed provided they are stock replacement engines.
18. The Tractor Pull Judge has the right to reweigh and check the hitch height on all tractors that place.
19. Tire size no larger than 26-12-12 unless written proof of manufacturer's specifications.
20. Judges decisions will be final in all situations.
- 21. \$10 entry fee for class 225 and 230**
- 22. \$15 entry fee for class 235**
23. If anything falls off the tractor it will automatically disqualify that tractor from the contest.
